Detailed Overview

Embark on an unforgettable Delhi to Delhi Hampta Pass Trek with Chandratal Lake, one of the most scenic and beginner-friendly Himalayan treks in Himachal Pradesh. This incredible 6 Nights / 5 Days adventure takes you from the lush green valleys of Kullu and Manali to the dramatic, barren landscapes of Lahaul, offering a rare opportunity to witness two completely different Himalayan ecosystems in a single trek. The journey begins from Delhi with a scenic drive to Manali, followed by trekking through dense pine forests, colorful wildflower meadows, sparkling streams, glacier crossings, and picturesque campsites. The highlight of the trek is crossing Hampta Pass (14,100 ft), where panoramic views of snow-covered peaks and deep valleys reward every step of the climb. After descending into the stunning Lahaul Valley, you'll travel to the mesmerizing Chandratal Lake, a crescent-shaped high-altitude lake situated at approximately 14,100 ft. Famous for its crystal-clear turquoise waters and ever-changing reflections of the surrounding mountains, Chandratal is

considered one of the most beautiful lakes in the Indian Himalayas. The peaceful atmosphere and breathtaking scenery make it a perfect place for photography and nature lovers. The best time to undertake the Hampta Pass Trek is from mid-June to the end of September. During June and July, trekkers experience thrilling snow crossings and blooming alpine meadows. August transforms the trail into a paradise filled with vibrant wildflowers and lush greenery, while September offers crystal-clear skies, pleasant weather, and spectacular mountain views. During this period, Chandratal Lake is also accessible, allowing visitors to witness its pristine beauty at its finest. Whether you're a first-time trekker or an experienced adventure enthusiast, the Delhi to Delhi Hampta Pass Trek with Chandratal Lake promises an unforgettable Himalayan experience filled with adventure, breathtaking landscapes, high-altitude camping, and memories that last a lifetime.
